Aetna Medicare is a PDP, HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. The provider network may change at any time. You will receive notice when necessary. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

The following list is for Aetna Select only.

The following pharmacies are additional Home Infusion or Long Term Care pharmacies that may be available for use. If you have any questions, please call the number on your ID Card.
